

# Culvert Replacement Work

## Sunrise Drive at Esperero Wash

Pima County, Ariz. (Dec 30) – On Monday, January 5, between the hours of 8:00am and 3:00pm., Pima County Department of Transportation along with their contractor, Southern Arizona Paving, will begin culvert replacement work on Sunrise Drive at the Esperero Wash. The work is expected to be completed in late summer.

During the construction period, there will be a 25 mph, two-lane detour that will shift traffic several times through the work zone. Flaggers will be present to manage construction vehicle access and the traveling public through the project area.

Please approach the area with caution, obey all traffic control devices and allow for extra travel time.

In the event of mechanical failure or inclement weather, the construction schedule is subject to change.
