Traffic Shift at the Culvert Replacement Work Project on Sunrise Dr at Esperero Wash

Pima County, Ariz. (Jan 26) – On Tuesday, January 27, Pima County Department of Transportation along with their contractor, Southern Arizona Paving, will shift traffic to the north side of the road on Sunrise Drive at the Esperero Wash. The culvert work is expected to be completed in late summer.

During the construction period, there will be a 25 mph, two-lane detour that will shift traffic through the work zone. Be advised the detour is routed underneath overhead wires and will have a 15' minimum overhead clearance. Flaggers will be present to manage construction vehicle access and the traveling public through the project area.

Please approach the area with caution, obey all traffic control devices and allow for extra travel time.

In the event of mechanical failure or inclement weather, the construction schedule is subject to change.
